ALEPPO TEMPLE A.A.O.N.M.S.

Boston, Massachusetts

FRIDAY, JANUARY 23, 1959

"ES SELAMU ALIEKUM"

The 76th Annual Meeting and Election of Officers of Aleppo Temple,

A.A.O.N.M.S., was opened in Room 114, Commonwealth Armory, Commonwealth Avenue, Boston, on Friday, January 23, 1959, for the purpose of electing and obligating Candidates for membership in the Temple, to receive and act upon the Annual Reports of Officers for the preceding year, and for any other business that may properly come before the Temple.

The Meeting was presided over by Illustrious Potentate Edgar L. Turner, assisted by his Elected Divan and Appointed Officers.

Upon motion duly seconded, it was unanimously voted that the reading of the records of the previous Meeting be dispensed with and that they be accepted and approved as written.

Printed copies of the Annual Reports of the Recorder, Treasurer, Trustees of the Permanent Fund, and the Auditing Committee for the year 1958 were distributed at this Meeting. A motion was made and seconded to accept and approve the Reports as printed. Past Imperial Potentate Robert Gardiner Wilson, Jr. objected to the motion, stating that the Reports were not complete, and moved that the Financial Report submitted for the year ending December 31, 1958, be laid on the table, to await completion of detailed audited account of all the year's activities including detailed receipts and expenditures incident to the recent so-called 1958 Hippodrome. The motion carried.

The Recorder called to the attention of the Nobility that his Annual Report for the year 1958 was part of the printed Report's of the Temple distributed at this meeting and showed the membership on January 1, 1958, as 16,005, a gain for the year of 116, with a total membership on January 1, 1959, of 16,121, and that his Report also showed receipts for the calendar year 1958 of \$277,819.52, and that this entire amount had been deposited in the Aleppo Temple bank account. He remarked that these two Reports of the Recorder had been audited by the Temple Auditors and that portions of Reports must be filed with the ImperialCouncil. He therefore moved that the Recorder's Numerical and Financial Reports for the year 1958 be approved as audited, printed and distributed at this Meeting and spread upon the records of the Temple. The motion was duly seconded and unanimously voted.

The evening exercises included the introduction of distinguished guests, among whom was Imperial Sir Harold C. Close of Sphinx Temple, Hartford, Connecticut, Imperial Oriental Guide, who gave a short address on Shrinedom which was received with enthusiasm by the Nobles present.

Following Imperial Sir Close's address, the Illustrious Potentate requested the Marshal to escort to the stage Noble William J. Rudolph, speaking for himself and his three brothers, then presented to Illustrious Potentate Duncan and Imperial Sir Close a check to the Shrine Hospitals in the name of their father who had proposed them for membership at this Meeting. This marked the first time that Aleppo Temple had the distinction of initiating four sons at one Ceremonial.

Illustrious Potentate Duncan read the following letter he had just received from Illustrious Noble Christian A. Herter, in whose honor this Ceremonial was being held:

"THE UNDER SECRETARY OF STATE "WASHINGTON

"Dear Noble Duncan:

"Your request does me a great honor indeed. You, of course, have my approval as to the naming of both the Spring Ceremonial and the Novice Class.

"I wish I could be with you on the first of May, but the situation here in the Department of State, with Secretary Dulles ill, is such that I have had to forego any extra-curricular activities in the foreseeable future. In any event, you have my heartiest wishes for a successful and meaningful Ceremonial and my warmest thanks for your thought of me.

Announcement is made that the Committee on Jurisprudence and Laws, and the Committee on Finance and Accounts of the Colorado Corporation are made up of the same personnel as the similar committees under the Iowa Corporation.

Because of some unpleasant past experiences, you are again advised that it is a violation of Imperial Council laws and edicts to use firecrackers, torpedoes, cannons or any other explosive device by which anyone could be injured.

It must also be understood that the use of sirens is reserved in most areas as emergency warning and therefore is forbidden to Shriners in parades and on the streets.

Temple officers are charged with the responsibility of requiring strict observance of these rules by their membership and proper policing of all Shrine functions to insure that no such violations occur.

ATTENTION IS CALLED TO THE CHANGE IN THE CODE OF THE IOWA CORPORATION, THE REVISED SECTIONS BEING QUOTED IN FULL AND THE REVISIONS, WHEREVER POSSIBLE ITALICIZED.

1960 IMPERIAL COUNCIL SESSION

The next Annual Meeting of the Imperial Council will be held in Denver, Colorado, the week of July 10, 1960. The Director General is Illustrious Noble Lewis S. Parsons, 855 Lincoln Street, Denver 3, Colorado.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING-Imperial Council Session at Denver, Colorado. In accordance with past and present instructions, "To enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held," and instructing all "Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held," with the further direction that "any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith," the following order in compliance with

the previous directive and expressly confirming the same, is now issued relating to the 1960 Session in Denver, Colorado.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives, (2) Uniformed Units, (3) the General Nobility, and (4) the general public,—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Denver are to be obtained through the Housing Chairman. The Chairman of the Housing Committee at Denver is Verne S. Warriner. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the Code and By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully cooperate with all Temples requesting visitations. I trust that the Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Andrews will accompany Imperial Potentate Andrews on his visitations unless notified otherwise. It is suggested that no breakfast or the morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to Central Office) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate, i. e., United States, Canada and Mexico. These three National flags should take their proper place in all Shrine Temple Color Squads and should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these National flags may be obtained from the Office of the Imperial Recorder.

We are advised that on September 5, 1945, through the medium of Order-in-Council PC 5888, His Excellency the Governor General in Council, on the recommendation of the Prime Minister of Canada, ordered that the Red Ensign with the Shield of the Coat of Arms of Canada in the fly, be flown from buildings of the Canadian Government. This flag is referred to as the Canadian "Red Ensign." The Order states this flag is to be used wherever place or occasion may make it desirable to fly a distinctive Canadian flag.

On all state visits abroad by Canada's representatives, including the Asiatic tour by former Prime Minister St. Laurent, "O Canada" was played as a distinctive Canadian anthem.

It is noted in history that few National Anthems are adopted by legislation, but rather have gained their place because of general usage by the people of the country concerned. Therefore, for the purpose of expressing loyalty or fidelity to Canada as a Nation, "O Canada" is played.

From the information we have been able to assemble in our extensive research, it is concluded that for the purposes of the Shrine, all Temples are instructed that the proper Canadian Flag to be used in Temple Color Squads and at all Shrine meetings is the Canadian "Red Ensign" (explained above), and the proper Canadian Anthem to be used is "O Canada."

All Shrine Temples are hereby instructed to provide in their Color Squads in parades and to display at all Shrine meetings the flags of the three countries under which Shrine Temples are chartered, i.e., United States, Canada and Mexico.

USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN"

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CAN NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF GALLOWAY CALHOUN, PAST IMPERIAL POTENTATE, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

It is directed that this General Orders No. 1 be read to the Nobility of each Temple at the first Session following its receipt, and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council this 15th day of August, A.D. 1959, and of the Order A. H. 1379.

By this action, the Temple retained the membership of these Nobles and also collected approximately \$3,000.00 in dues for 1959 instead of suspending these Nobles.

The Recorder advised that he had received General Orders No. 1 from the Imperial Potentate which contained the list of Imperial Officers, Imperial Council Committees, changes of By-Laws made at the last Imperial Council Session, and general information to Potentates of Temples. It was voted that the General Orders be accepted as printed and spread upon the records.
